College Students Face a Greater Risk of Identity Theft

College students and their parents probably don't spend much time worrying about identity theft. But as students head back to school this fall, they should take precautions to prevent their identities from being stolen.

9 Tips for Students and Others Filing Taxes for the First Time

Filing your federal income taxes for the first time can be daunting. We've all grown up hearing our parents and the media complain about the headaches of tax season. NerdWallet asked university experts to share some advice to make things easier for college students and others filing their first tax returns.

Need Financial Literacy Images for your next workshop or flyer?

Check out this collection by David Vogelsang. Promotional material or dynamic presentations in a meme world can be challenging. However, using images that are relatable, funny or conversational can spark the interest of college students and or peers.
