Introducing a New ME! A Poem Dedicated to the New School Year

There's a new ME this year, An on-time ME, A clean-desk ME, A first-to-volunteer ME, A listen-in-meetings ME, A financial-wellness-guru ME, An-always-willing-to-help-students ME, A very-serious-get-the-work-done-with-no-errors-or-corrections ME, A 100%-attendance-to-my-workshops ME, The problem is the new ME Is not like ME At all, so together with others I can introduce a new ME, only if you are willing to help ME!

Ways To Save Money In College

LET'S FACE IT: FOR MANY students, college is expensive. Tuition, student fees, housing, transportation and textbook costs all add up quickly, no matter how carefully students budget.

Build Your \$TAX Presented by NGPF

NGPF's STAX Game teaches students how to invest using an engaging, fast-paced game in which students will make 20 years of investment decisions in 20 minutes. They will choose among stocks, bonds and index funds while also learning about the importance of having an emergency fund as "life happens" to them in this simulation.
